Refrigeration space in Chittagong 

Description

The refrigerated cargo industry relies very heavily on consistency. From predictable delivery schedules to temperatures being maintained at a predetermined constant throughout the cargo's journey, cold chain solutions must cater to the growing needs of the industry around the world. We believe the ideal refrigerated shipping solution will give customers end-to-end visibility and transparency of their cold cargo and so much more than simple storage and transportation.

The screenshot shows a web application for listing storage properties. At the top, there's a navigation bar with links for Home, About, Contact Us, Blog, Rent Storage (highlighted in grey), Become A Host, and a user icon. Below the navigation are several service categories: Personal Room, Business Storage, Climate Controlled Storage, Vehicle Storage, Catering Service, Decorator Service, Insurance Service, and Logistic Service. The main form area starts with a 'Location' field with a placeholder 'Insert your location here'. Next is a 'Pictures' field with a placeholder 'Insert storage pictures'. Then comes 'Contact Info' with a placeholder 'Insert your mobile number here'. Below these is a 'Description(optional)' field containing a text area with a placeholder 'Provide storage details'. Underneath is a section for 'Maximum Vehicles' with three dropdowns: Cars (set to 1), Motor Cycles (set to 0), and Minivans (set to 0). The next section is 'Property facilities' with an 'Add more' link, 'Any' button, 'Self check-in' button, and a 'Security' button highlighted in purple. Following this is a 'Size(m2)' field with a placeholder 'Insert size here'. Then is a 'Price(per hr)' field with a placeholder 'Insert price here'. At the bottom right is a large blue 'Post' button.
